Section 1: Immediate Cancellation Window

Orders enter automated warehouse picking systems rapidly after credit authorization.

Customers may cancel an order free of charge within 60 minutes of placement directly via their online account dashboard.

After 60 minutes, orders are locked in the automated fulfillment queue and cannot be cancelled prior to dispatch.

Section 2: In-Transit Orders and Pre-Orders

Once handed to the carrier, shipments cannot be intercepted. Customers can decline the shipment at delivery (Return to Sender) or file for a return within 7 days under the Refund Policy.

Pre-ordered items may be cancelled without penalty at any time prior to final dispatch notification.
