

TechNova Support — Product Return Policy

Document ID: POL-RET-2024-V1 | Demo / Fictional Company Policy | Page 1

Section 1: Return Initiation & RMA Process

All returns must have an authorized Return Merchandise Authorization (RMA) number generated through our support portal.

Returns must be initiated within 7 calendar days of delivery. Packages returned without an active RMA number will be rejected at the warehouse.

Complimentary prepaid domestic labels are provided for defective items or mis-shipped merchandise.

Section 2: Packaging Guidelines

Customers must securely pack items in original foam inserts and include cables, manuals, and protective shrouds to avoid deduction penalties.
