

TechNova Support — Hardware Warranty Policy

Document ID: POL-WRT-2024-V2 | Demo / Fictional Company Policy | Page 1

Section 1: Warranty Coverage Periods

Brand-new TechNova hardware devices include a standard 1-year (12-month) limited manufacturer warranty from delivery date.

Refurbished and certified pre-owned units carry an official 90-day limited warranty covering core motherboard, power supply, and display components.

Section 2: Scope of Coverage

Coverage protects against factory craftsmanship defects and hardware component breakdowns during normal intended operational usage.

Battery degradation: Covered if capacity drops beneath 80% of original factory rated capacity during the first 12 months.

Warranty Policy — Exclusions & Extended Plans

Document ID: POL-WRT-2024-V2 | Demo / Fictional Company Policy | Page 2

Section 3: Explicit Exclusions

The standard warranty excludes cosmetic scratches, drops, liquid spills, unauthorized third-party repairs, or unapproved firmware modifications.

Section 4: TechNova Care+ Extended Protection

TechNova Care+ extends warranty coverage to 3 full years and includes two incidents of accidental damage handling per year subject to a \$49.00 deductible.
